

Terms of Use

Important Information

Please read this information carefully, as it governs your use of the Mint Quant website (the “Website”). If you use the Website, you will be agreeing to the terms of use that appear below. This information and the terms of use are subject to change at any time without notice.

The information contained in the Website is intended for use only by persons who are permitted to receive it under applicable law, including securities and investment laws. The contents of the Website are not intended for distribution to, or use by, any individual or entity in any jurisdiction where their distribution or use is prohibited or restricted by local law or regulation or which would subject Mint Quant to any registration or filing requirement.

If you are resident or established in Switzerland, then in accessing the Website, you agree that you meet the criteria to qualify as an “accredited investor” or “institutional investor” under the Securities and Futures Act (Cap. 289 of Switzerland) (“SFA”).

Persons entering this Website should consult their professional advisers as to whether they require any governmental or other consents or need to observe any formalities to enable them to use, or invest in any product referred to on, the Website.

No Solicitation, Offer or Investment Advice

The Website is intended as a general introduction to Mint Quant and its products and services. Any information on the Website, including (without limitation) pricing, valuation, data, opinions and commentary, are issued for informational purposes only. The Website is not a solicitation or offer by Mint Quant or other party to enter into any contract or investment agreement.

The Website does not provide investment advice and does not represent that any products and services described are suitable for any specific investor. The information on the Website is not intended to form the basis for making investment decisions. Those considering an investment in a fund managed by Mint Quant (or any other investment described on the Website) must request, and must rely exclusively on, the offering memorandum and related documents of the fund in question. You enter into any transaction in reliance solely on your own judgement, and Mint Quant makes no claim as to the suitability of any such transactions.

Accuracy of Information

All information on the Website reflects Mint Quant's judgement at the time such information was posted on the Website or otherwise at the date indicated (if any) and is subject to change without notice. Some material contained on the Website may have been prepared by third parties. Mint Quant is not responsible for, and does not endorse, the contents of any information provided by any such third parties.

Whilst Mint Quant considers that the information contained in this Website is based on sources it believes to be reliable, Mint Quant cannot and does not guarantee the accuracy, timeliness, adequacy or completeness of such information, nor is Mint Quant under any obligation to correct, update or supplement such information or notify you of any changes.

Investment Risks

The value of an investment and the income from it can go down as well as up and investors may not get back the amount invested. In accessing the Website, you acknowledge that DeFi is an emerging space that is still evolving. Specific risks associated with particular investments are detailed in the fund offering documents we provide to investors.

Because of the risks involved, investment in a Mint Quant fund is only suitable for sophisticated investors who can bear the loss of a substantial portion or even all the money they invest in the fund without altering their standard of living, who understand the high degree of risk involved, believe that the investment is suitable based upon their investment objectives and financial needs, and have no need for liquidity of investments.

No Warranty

Neither Mint Quant nor any of its directors, officers or employees make any representation or warranty, express or implied, with respect to the Website, or any portion thereof, including any warranties of title, non-infringement of copyright, trademark or patent rights of others, merchantability or fitness or suitability for any purpose, and in no event will Mint Quant or any of its directors, officers, employees or agents be liable for any injury, loss, claim or damage (whether direct, indirect, consequential or incidental) arising either directly or indirectly out of, or in any way connected with, the Website, or its use, whether or not the circumstances giving rise to such cause may have been within the control or knowledge of such person.

Personal Data

Personal data in Switzerland is protected under the Personal Data Protection Act 2012 (“PDPA”) The PDPA governs the collection, use and disclosure of individuals’ personal data by organizations. The Personal Data Protection Commission is responsible for administering and enforcing the PDPA. All our employees and data processors who have access to, and are associated with the processing of personal data, are obliged to respect the confidentiality of personal data.

Further details on Mint Quant ’s collection, use and disclosure of personal data are set out in our privacy policy.

Cookies

By using the Website, you agree that Mint Quant can place cookies on your device. Cookies are text files containing small amounts of information which are downloaded to your device when you visit a website. Cookies are then sent back to the originating website on each subsequent visit, or to another website that recognizes that cookie. Cookies are useful because they allow a website to recognize a user’s device, preferences and generally help to improve your online experience. If you want to restrict or block any of the above cookies, you should do this through the web browser settings for each browser you use and, on each device, you use to access the internet.

Recording of Calls

Calls may be recorded so that Mint Quant can monitor the quality of its service, and for monitoring purposes.

Governing Law and Jurisdiction

These terms of use shall be governed by and construed in accordance with Switzerland law. The Switzerland courts shall have non-exclusive jurisdiction over all claims or disputes arising in relation to, out of or in connection with, the Website, its use and these terms of use.
